31-021 CHILD ABUSE CENTRAL INDEX (CACI) GRIEVANCE PROCEDURES

<u>31-021</u>

- .1 Within five (5) business days of submitting an individual's name to the Department of Justice (DOJ) for listing on the CACI pursuant to Section 31-501.4, the following forms shall be sent to the individual at his/her last known address:
 - .11 The Notice of Child Abuse Central Index Listing (SOC 832),
 - .12 Grievance Procedures for Challenging Reference to the Child Abuse Central Index (SOC 833), and

 - .21 The complainant shall send by mail, fax or in person, a completed SOC 834 form, or a written request for grievance hearing that includes all of the information required under Section 31-021.213, signed by the complainant to request a grievance hearing.

 This must be received by the county within thirty (30) calendar days of the date of notice. Failure to send the completed SOC 834 form or written request within the prescribed timeframe shall constitute a waiver of the right to a grievance hearing.
 - .211 For purposes of this section, a complainant is deemed aware of the county decision when the county mails the notification as specified in Section 31-021.1 to the complainant's last known address.
 - .212 For individuals to whom no prior notification was mailed regarding his or her submission to the CACI, the individual shall file the completed SOC 834 form within thirty (30) calendar days of becoming aware that he or she is listed in CACI and becoming aware of the grievance process.
 - A completed SOC 834 form or a written request for grievance hearing shall include the referral number, name of county, complete contact information, date of birth, a reason for grievance which the complainant believes provides a basis for reversal of the county decision, and if represented, the name of the representative and contact information for the representative.
 - .214 The county shall assist the complainant in preparation of the request for grievance hearing if assistance is requested.
- .3 The following grievance hearing procedures shall only apply for challenges to county submission for listing individuals on the CACI.

- A grievance hearing request shall be denied when a court of competent jurisdiction has determined that the suspected child abuse and/or neglect has occurred, or when the allegation of child abuse and/or neglect resulting in the referral to CACI is pending before the court.
 - .311 If Section 31-021.31 no longer applies, a complainant can submit the completed SOC 834 form or written request within thirty (30) calendar days of the conclusion of the judicial matter to request a grievance hearing.
 - .312 <u>Timeframes for conducting and completing a grievance hearing will remain as specified in Sections 31-021.4 through .85.</u>

 - .42 The complainant may have an attorney or other representative present at the hearing to assist him or her.
 - Either party may request a continuance of the grievance hearing not to exceed ten (10) business days. Additional continuance or dismissal of the hearing shall be granted with mutual agreement of all parties involved or for good cause.
 - .44 The county may resolve a grievance at any point by changing a finding of inconclusive or substantiated child abuse and/or neglect to unfounded and notifying the DOJ of the need to remove the individual's name from the CACI.
- .5 The grievance review officer conducting the grievance hearing shall be:
 - A staff or other person not directly involved in the decision, or in the investigation of the action or finding, that is the subject of the grievance hearing.
 - .52 Neither a coworker nor a person directly in the chain of supervision of any of the persons involved in the finding, or in the investigation of the action or finding, that is the subject of the grievance hearing unless the grievance review officer is the director or chief deputy director of the county.

- .521 For the purposes of this section, a coworker includes a staff person who has regular direct contact with the staff involved in the finding related to the grievance, and this person is unable to separate themselves as an impartial reviewer.
- A staff or other person who is knowledgeable of the child welfare services field and capable of objectively reviewing case information pertaining to the grievance.
- .6 The grievance review hearing shall be conducted in the following manner:
 - .61 The grievance hearing shall, to the extent possible, be conducted in a non-adversarial environment.
 - .62 The county, complainant and his or her representatives, if any, shall be permitted to examine all documents and relevant evidence that is not otherwise made confidential by law, which the opposing party intends to introduce at the grievance hearing.
 - .621 The county and the complainant shall make available for inspection the documents and other evidence they intend to rely upon at the grievance hearing at least ten (10) business days prior to the hearing, to the extent permitted by law.

 - Each party and their attorney or representative, and witnesses while testifying, shall be the only persons authorized to be present during the grievance hearing unless all parties and the grievance review officer consent to the presence of other persons.

- The information disclosed at the grievance hearing may not be used for any other purpose.  - .662 The grievance review officer may prevent the presence and/or examination of a child at the grievance hearing for good cause, including but not limited to protecting the child from trauma or to protect his or her health, safety, and/or well-being.
 - .663 The grievance review officer may permit the testimony and/or presence of a child only if the child's participation in the grievance hearing is voluntary and the child is capable of providing voluntary consent.
 - (a) The grievance review officer may interview the child outside the presence of county staff, complainant and/or any other party in order to determine whether the participation of the child is voluntary, or whether good cause exists for preventing the child from being present or testifying at the grievance hearing.
- .67 The county employee(s) who conducted the investigation that is the subject of the grievance hearing shall be present at the hearing if that person is employed by the county and is available to participate in the grievance hearing.
 - .671 For purposes of this paragraph, a conflict in work assignments shall not render the county employee who conducted the investigation unavailable to participate in the hearing.
- The county shall first present its evidence supporting its action or findings that are the subject of the grievance. The complainant will then provide evidence supporting his or her claim that the county's decision should be withdrawn or changed. The county shall then be allowed to present rebuttal evidence in further support of its finding. Thereafter, the grievance review officer may, at his or her discretion, allow the parties to submit any additional evidence as may be warranted to fully evaluate the matter under review.

- .681 The grievance review officer shall have the authority to continue to review for a period not to exceed ten (10) calendar days if additional evidence or witnesses are necessary to make a determination on the issue.

 - .72 The county shall lodge the administrative record with the court if any party seeks judicial review of the final decision of the county director.
- .8 Grievance hearing decisions shall be rendered as follows:
 - .81 The grievance review officer shall make a determination based upon the evidence presented at the grievance hearing, whether the allegation of child abuse and/or neglect is unfounded, inconclusive, or substantiated as defined by the Penal Code Section 11165.12.
 - .82 The grievance review officer shall render a written recommended decision within thirty (30) calendar days of the completion of the grievance hearing. The decision shall contain a summary statement of facts, the issues involved, findings, and the basis for the decision.
 - .83 The county director shall issue a final written decision adopting, rejecting, or modifying the recommended decision within ten (10) business days after the recommended decision is rendered. The final written decision shall explain why a recommended decision was rejected or modified by the county director.
 - .84 A copy of the decision shall be sent to the following:
 - .841 The complainant that requested the grievance hearing;
 - .842 The complainant's attorney or representative, if any; and

.86 The grievance hearing administrative record shall be retained for a length of time consistent with current law, regulations, or judicial order which governs the retention of the underlying record, but not less than one year from the decision date in any circumstance, and shall include the documents and other information accepted as evidence at the hearing.

FINDING OF EMERGENCY

These regulations are being implemented on an emergency basis for the immediate preservation of the public peace, health and safety, or general welfare, within the meaning of Government Code Section 11346.1.

DESCRIPTION OF SPECIFIC FACTS WHICH CONSTITUTE THE EMERGENCY

- 1. In October of 2007, The Los Angeles Superior Court entered its Order in the matter of Amelia Gomez v. Bill Lockyer and Rita Saenz. This Order mandated the California Department of Social Services (CDSS) to implement specified grievance procedures for challenging reference to the Child Abuse Central Index (CACI). On January 15, 2009, the United States Court of Appeals for the Ninth Circuit issued its decision in the matter of Humphries v. County of Los Angeles. In its decision, the Ninth Circuit found unconstitutional the reference of an individual's name for listing on the CACI without due process. On May 29, 2009, CDSS received notice of a lawsuit filed against Marin County and CDSS, in the matter of Nicholas v. CDSS; Marin County. In this lawsuit, petitioner challenges the Notice of Child Abuse Central Index listing and grievance hearing procedures established pursuant to All-County Letter No. 07-53 (December 17, 2007).
- These emergency regulations establish the processes required to be implemented by county 2. welfare departments (CWDs) to comply with the constitutional requirements attendant to reference of an individual's name for listing on the CACI pursuant to Penal Code Section 11169. Welfare and Institutions Code Section 361.4(c) requires the county social worker to cause a check of the CACI for all adults living in the home whenever a child may be placed in the home. Health and Safety Code Section 1522(b) requires the Community Care Licensing (CCL) Division of CDSS to conduct a check of the CACI prior to issuing a A failure or delay by the CWD to comply with the license to care for children. constitutional requirement for due process when referring an individual's name for listing on the CACI could result in a court decision invalidating the CACI. Alternatively, a failure or delay by the CWD to comply with the constitutional requirement for due process when referring an individual's name for listing on the CACI could result in a court decision preventing both the county social worker and the CCL Division from accessing the CACI. Either of these developments would create an immediate risk to CDSS' ability to preserve public health and safety of children placed in licensed or approved foster care homes, and licensed child care facilities. Lack of effective regulations will also leave the State and counties vulnerable to legal action.
- 3. The emergency regulations establish a clear process for CWDs to utilize when fulfilling their legal obligations under Penal Code Section 11169. The regulations provide for notice to the individual whose name the county is referring to the Department of Justice for listing on the CACI, and for the opportunity for that individual to challenge that action before an independent grievance officer.

- 4. A delay in implementing these regulations may result in court action invalidating the CACI, or a court action preventing CDSS and CWDs from accessing information on the CACI, as required by statute.
- 5. Emergency regulations were filed and became effective with the Secretary of State on August 31, 2009. The public comment period was held on January 13, 2010. Testimony was received orally and in writing from several sources. CDSS Legal and Program are drafting responses to the testimony received for the final Statement of Reasons. The readoption is necessary to continue compliance with the Los Angeles Superior Court Order in the matter of Amelia Gomez v. Bill Lockyer and Rita Saenz and allow the benefit of any further required public comment periods (e.g., 15-day renotice).
- 6. After the initial package was filed with the OAL in August 2009, the Department was required to strengthen the Statement of Reasons, which in turn, delayed scheduling a public hearing. As a result of this delay, the public hearing date was not available until January 13, 2010, which did not leave an adequate amount of time for the CDSS Office of Regulations Development (ORD) to complete their sign-off process and submit the completed package to ORD by the deadline.
- 7. The Department has been impacted by the implementation of three (3) furlough days per month, which decreases the amount of time staff have to complete work assignments. This impact is evident in the Department's inability to respond to the shortened timelines in an emergency regulations process.
- 8. Therefore, in order to protect the public peace and general welfare of the accused, these regulations are readopted on an emergency basis to be effective immediately upon filing with the Secretary of State.

INFORMATIVE DIGEST

In 2004, the California Department of Social Services (CDSS) was party to a lawsuit, Gomez v. Saenz, which alleged that individuals' names were submitted to the Child Abuse Central Index (CACI), a child abuse registry maintained by the California Department of Justice, without a right to challenge the placement, which the plaintiff alleged was a violation of due process guarantees of the California Constitution. In addition, the lawsuit challenged the accuracy of information retained on the CACI, alleging that a significant number of listings were maintained on the CACI without adequate underlying files to support the listing. This lawsuit was settled in October 2007 and as part of the agreement between the parties, CDSS agreed to amend current regulations to reflect the new grievance hearing procedures as required by the settlement.

Pursuant to Penal Code Section 11169, an individual's name is submitted to the CACI whenever a county child welfare services (CWS) agency determines that a child abuse and/or neglect (excluding general neglect) allegation regarding that individual is found to be inconclusive or substantiated. Prior to Gomez v. Saenz, individuals did not have the opportunity to challenge their listing. This settlement agreement provides individuals with due process by allowing them to dispute their listing on the CACI. The settlement agreement further stipulates that county

CWD agencies are to furnish a request for grievance hearing and notice of listing on CACI forms to persons subject to listing on CACI.

The stipulation to create regulations based on *Gomez v. Saenz* requires the adoption of a new section in the Manual of Policies and Procedures, Division 31 regulations. In addition, amendments to other portions of Division 31 were necessary to provide consistency and to accurately reflect the due process requirements pursuant to the *Gomez v. Saenz* settlement agreement.

The settlement agreement includes specific language that explains the procedures to provide due process for individuals listed on CACI. Significant additions to these regulations include: 1) grievance request procedures, 2) grievance hearing procedures, and 3) procedures for grievance review decisions.

Section 31-003 provides definitions for the new notification forms required by the settlement agreement.

Section 31-021 provides detailed grievance hearing procedures.

Section 31-410 of Division 31 regulations outlines special requirements for notifying individuals of their listing on the CACI. Additional information is included to specify that a substantiated CACI listing does not preclude temporary placement of a child with a relative or non-relative extended family member.

Section 31-501 of Division 31 regulations outlines special requirements for reporting child abuse and neglect to the California Department of Justice. Amendments to this section are needed to include new procedures and handbook information defining child abuse or neglect requirements as stipulated in the *Gomez v. Saenz* lawsuit settlement agreement.

COST ESTIMATE

- 1. Costs or Savings to State Agencies: The May Revision includes \$2.3 million total funds (\$1.6 million general fund) for the anticipated costs under the Gomez vs. Saenz premise.]
- 2. Costs to Local Agencies or School Districts Which Must Be Reimbursed in Accordance With Government Code Sections 17500 17630: None.
- 3. Nondiscretionary Costs or Savings to Local Agencies: Additional expenditures of approximately \$700,000 in the current State Fiscal Year which are not reimbursable by the State pursuant to Section 6 of Article XIII B of the California Constitution and Sections 17500 et seq. of the Government Code because this regulation implements the court mandate set forth by the Superior Court of California court in the case of Gomez vs. Saenz.
- 4. Federal Funding to State Agencies: No fiscal impact exists because this regulation does not affect any federally funded State agency or program.

LOCAL MANDATE STATEMENT

The addition to Division 31, Section 31-021 (Child Abuse Central Index [CACI] Grievance Review Procedures), the amendments to Division 31, Section 31-501 (Child Abuse and Neglect Reporting Requirements), and the amendments to Division 31, Section 31-410 (Temporary Placement) will impose mandates on local county child welfare agencies.

These regulations will require additional workload for the agencies. The additional activities include noticing individuals of their listing on the CACI, preparing for and performing grievance hearings as requested, and other documentation as specified in the regulations. This will create additional costs for the local CWS agencies.

At this time, it is unknown what fiscal impact these new regulations will have on the CDSS. County CWS agencies are currently time-studying grievance hearing activities to a Program Code created specifically for this purpose.
